**SURVEY OF STUDENTSHIP AND ACCOMMODATION FEE FOR

(JULY 2011, ALL RIGHTS RESERVED)**

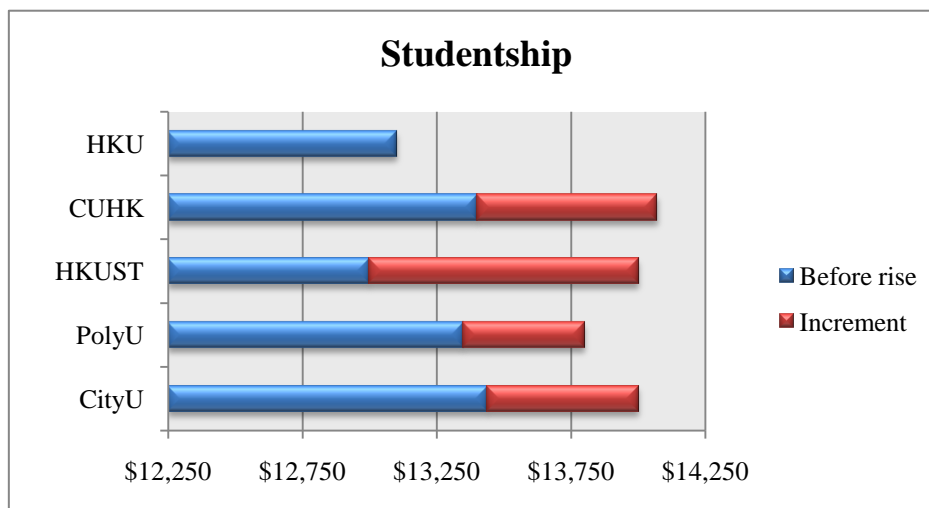

This survey contains information from five local universities, which are the University of Hong Kong (HKU), the Chinese University of Hong Kong (CUHK), the Hong Kong University of Science and Technology (HKUST), the Hong Kong Polytechnic University (PolyU) and the City University of Hong Kong (CityU). In this report, we reflect only the factual data and all calculations might be subject to unintended mistakes. All data are for illustrative purposes only. The tuition fees are the same (HK\$42,100 per year) among these five universities. Studentships and fees are shown in Hong Kong Dollars.

STUDENTSHIP

PGSA collected the studentship data for the four universities other than HKU just before and after the recent rise of RPg studentships as follows. All data are shown on a per month basis.
